Its use is currently the subject of research and testing.

Application:

- Tape machines,
- Rubber-antistatic floors,
- Car accessories, floor mats, etc.,
- Rubber sheets, floor mats.

Technical data:

Colour	Black
Form	Powder
Density [g/cm ³]	1,20±0,10
Carbonised solids content [%]	about 98
Grain size [µm]	<20 µm d80
Ash content	0,50-16,00%
Volatile content [%]	>0,20%
Sulphur content [%]	>0,20%
Moisture content [%]	<74,00

Dosing:

- Recommended: 1% - 4% of the coloured mass
- Optimum: 1% - 2% by weight of colouring

Packaging:

- Pallet-box - 1000 kg
- 15 kg packaging (non-returnable)
- As agreed with the customer
